Read the following letter from A.C.Duff Esquire, I.C.S., Collector of Bellary, Ref. on C.5166/23-A-6 dated 24-11-1923.

Assessment - suspended revenue - Fasli 1332 - Hadagalli and Harpanahalli Taluks - collection - proposals submitted.

The collection of kists in the two taluks was postponed to the current fasli as noted below vide G.O.No.459 Mis. -- dated 20-3-'23 (Revenue) communicated with B.P.No.694 Mis. dated 23-3-23.

Hadagalli Taluk - 1 village December & January kists
Harpanahalli Taluk -11 villages do do
6 villages December kists.

Under B.S.O. 14, para 8, I submit the following proposals for the collection and postponement of the suspended revenu

In this taluk, the collection of December and January kists in Sovenahalli village was postponed to the current fasli. The amount of the suspended revenue now to be collected is Rs.721-4-2. The crops in this village have fared well and the outturn of the several crops is noted below:-

Cholam - 6 to 8 annas or a little mor
Horse-gram and Ground-nut. 6 to 7 annas.
Sajja & Korra. 8 annas.

Horse-gram and ground nut would give a better yield if there were good rain in the near future. The Tahsildar and the Sub-Collector propose that the suspended revenue may be collected along with the kist of January and February. If there is no more rain the collection won't be so easy. I hope to collect in January and February.

Harpanahalli Taluk.

Postponement in this taluk was ordered as follows:-

(1) 6 villages. December kist.

(2) 11 villages December and January kists.

The amount of suspended revenue in these villages is Rs.7360-2-0. Out of this amount, a sum of Rs.6123-5-0 was collected last fasli before orders of postponement were received. Full amounts have been collected in 9 villages and the amount outstanding in the remaining 8 villages is Rs.1236-13-0 as shown in the margin.

1. Bagali.	239-12- 5
2. Sringarathota	117- 4- 4
3. Naranapur	68- 4- 4
4. Komaranahalli	32- 9- 5
5. Satur	400-10- 7
6. Halavagal.	129- 6- 2
7. Hagaranoor	14- 4- 2
8. Thogarikatti.	234- 9- 7
	1236-13- 0

The crops in all these eight villages except Satur have fared well and the average outturn of crops is not less than 8 annas. The Tahsildar and the Sub-Collector propose that the suspended revenue in the seven villages may be collected in two equal instalments along with the kists of January and February. As already stated above, the collect won't be so easy if there is no more rain. I hope to collect i January and February. In the excepted village of Satur, the crops have not fared well. The soil in this village is generally poor. The outturn of crops, this year, is not more than 6 annas. Last year the outturn was less than 3 annas. B.S.O.14, para 8 lays down that the revenue suspended should not be collected until one

fair harvest subsequent to the failure has been reaped. The -- Tahsildar and the Sub-Collector propose that the balance of the suspended revenue in this village may be collected next fasli I agree with their proposal. The sanction of the Government may be obtained for the postponement of the suspended revenue to the next fasli.

2. Postponement of collection of revenue was ordered in five other taluks. I will submit my proposals shortly.

3. I may also add that postponement of kist of the current fasli in certain taluks will certainly have to be granted. Proposals have been called for and I shall submit a further report.

Submitted to Government.
